

NEXT STEPS

**MID-STATES
CORRIDOR**

- **Formal comment period through May 31**
- **Project Team will consider all comments**
- **Refinements may be made to the Preferred Alternative**
- **Preparation of Tier 1 Final Environmental Impact Statement (FEIS)**
- **FEIS will include responses to comments**
- **Tier 2 studies will follow**

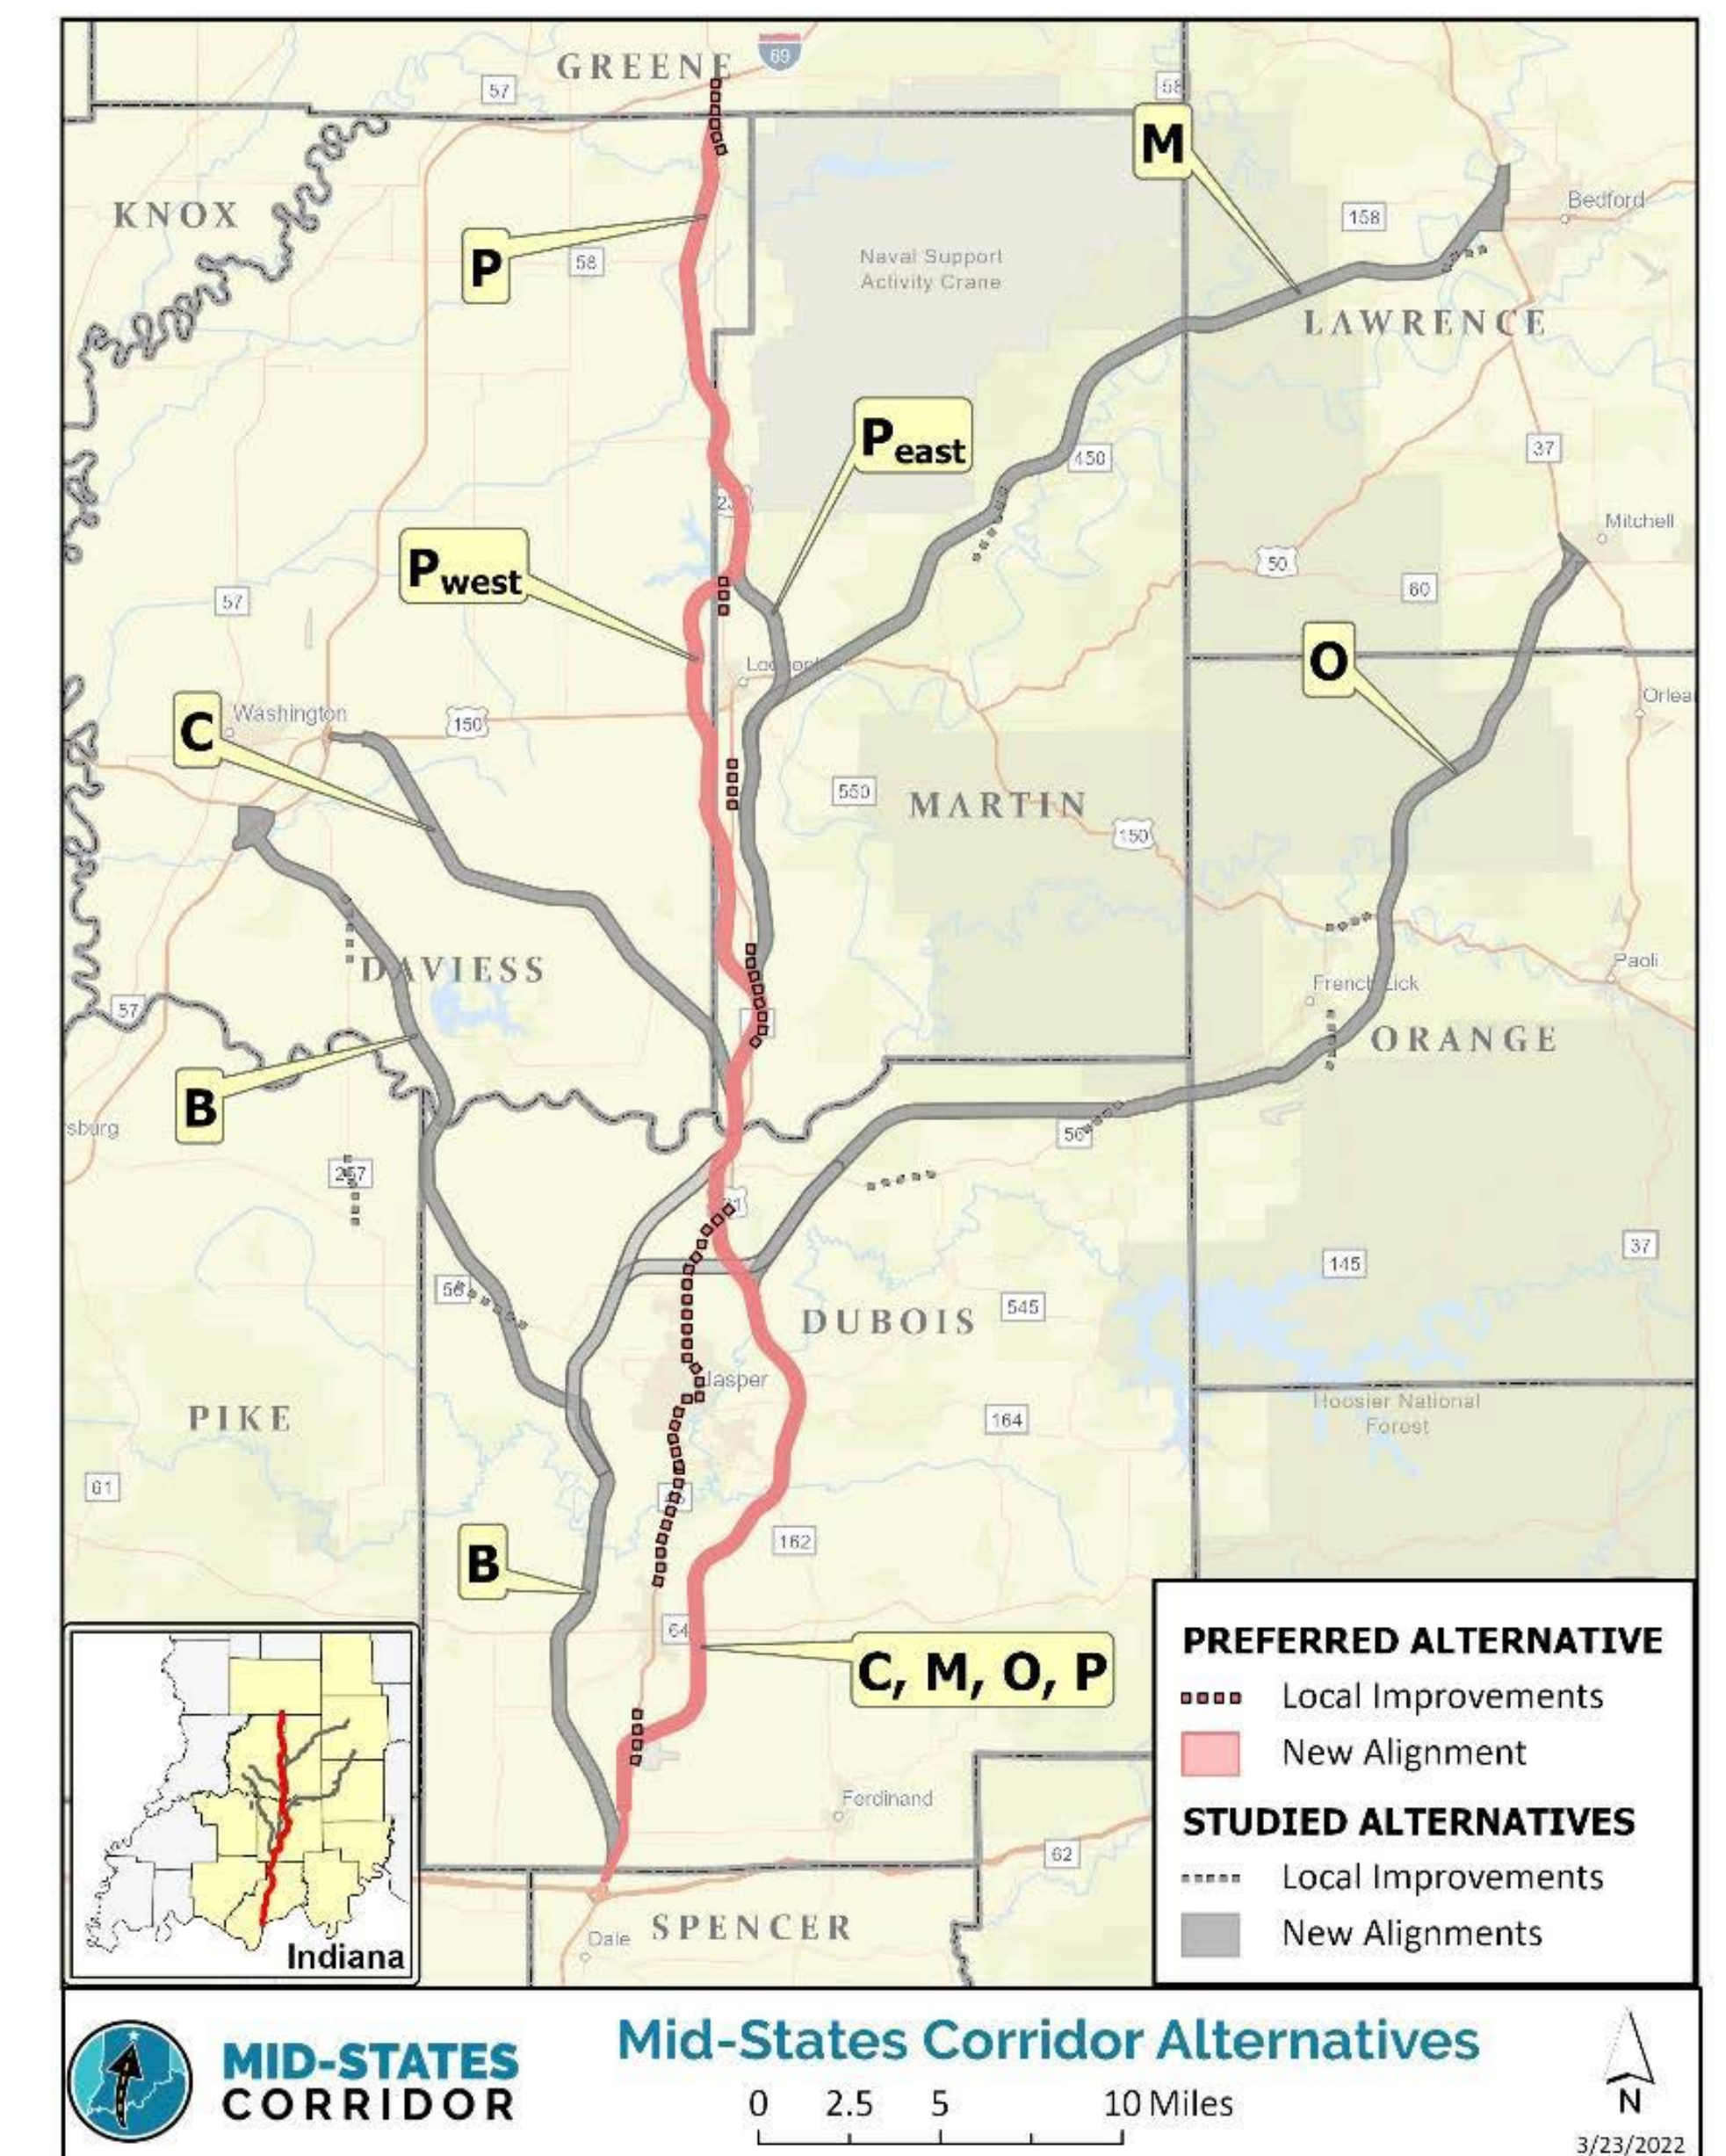

PREFERRED ALTERNATIVE

MID-STATES
CORRIDOR

Alternative P is preferred corridor

- Produces the **best combination of benefits** in relation to defined goals
- **Lowest impacts to environmental resources** among Alternatives M, O and P that meet core Purpose and Need goals
- Comparably **low level of impacts to several key resources** including wetlands (smallest impacts) and karst features (none)

SHARING FEEDBACK TODAY

**MID-STATES
CORRIDOR**

- **Sign up to speak at tonight's hearing**
- **Complete a written comment form**
- **Use a computer station to enter your comments at MidStatesCorridor.com**
- **Visit MidStatesCorridor.com on your phone and provide comments online**

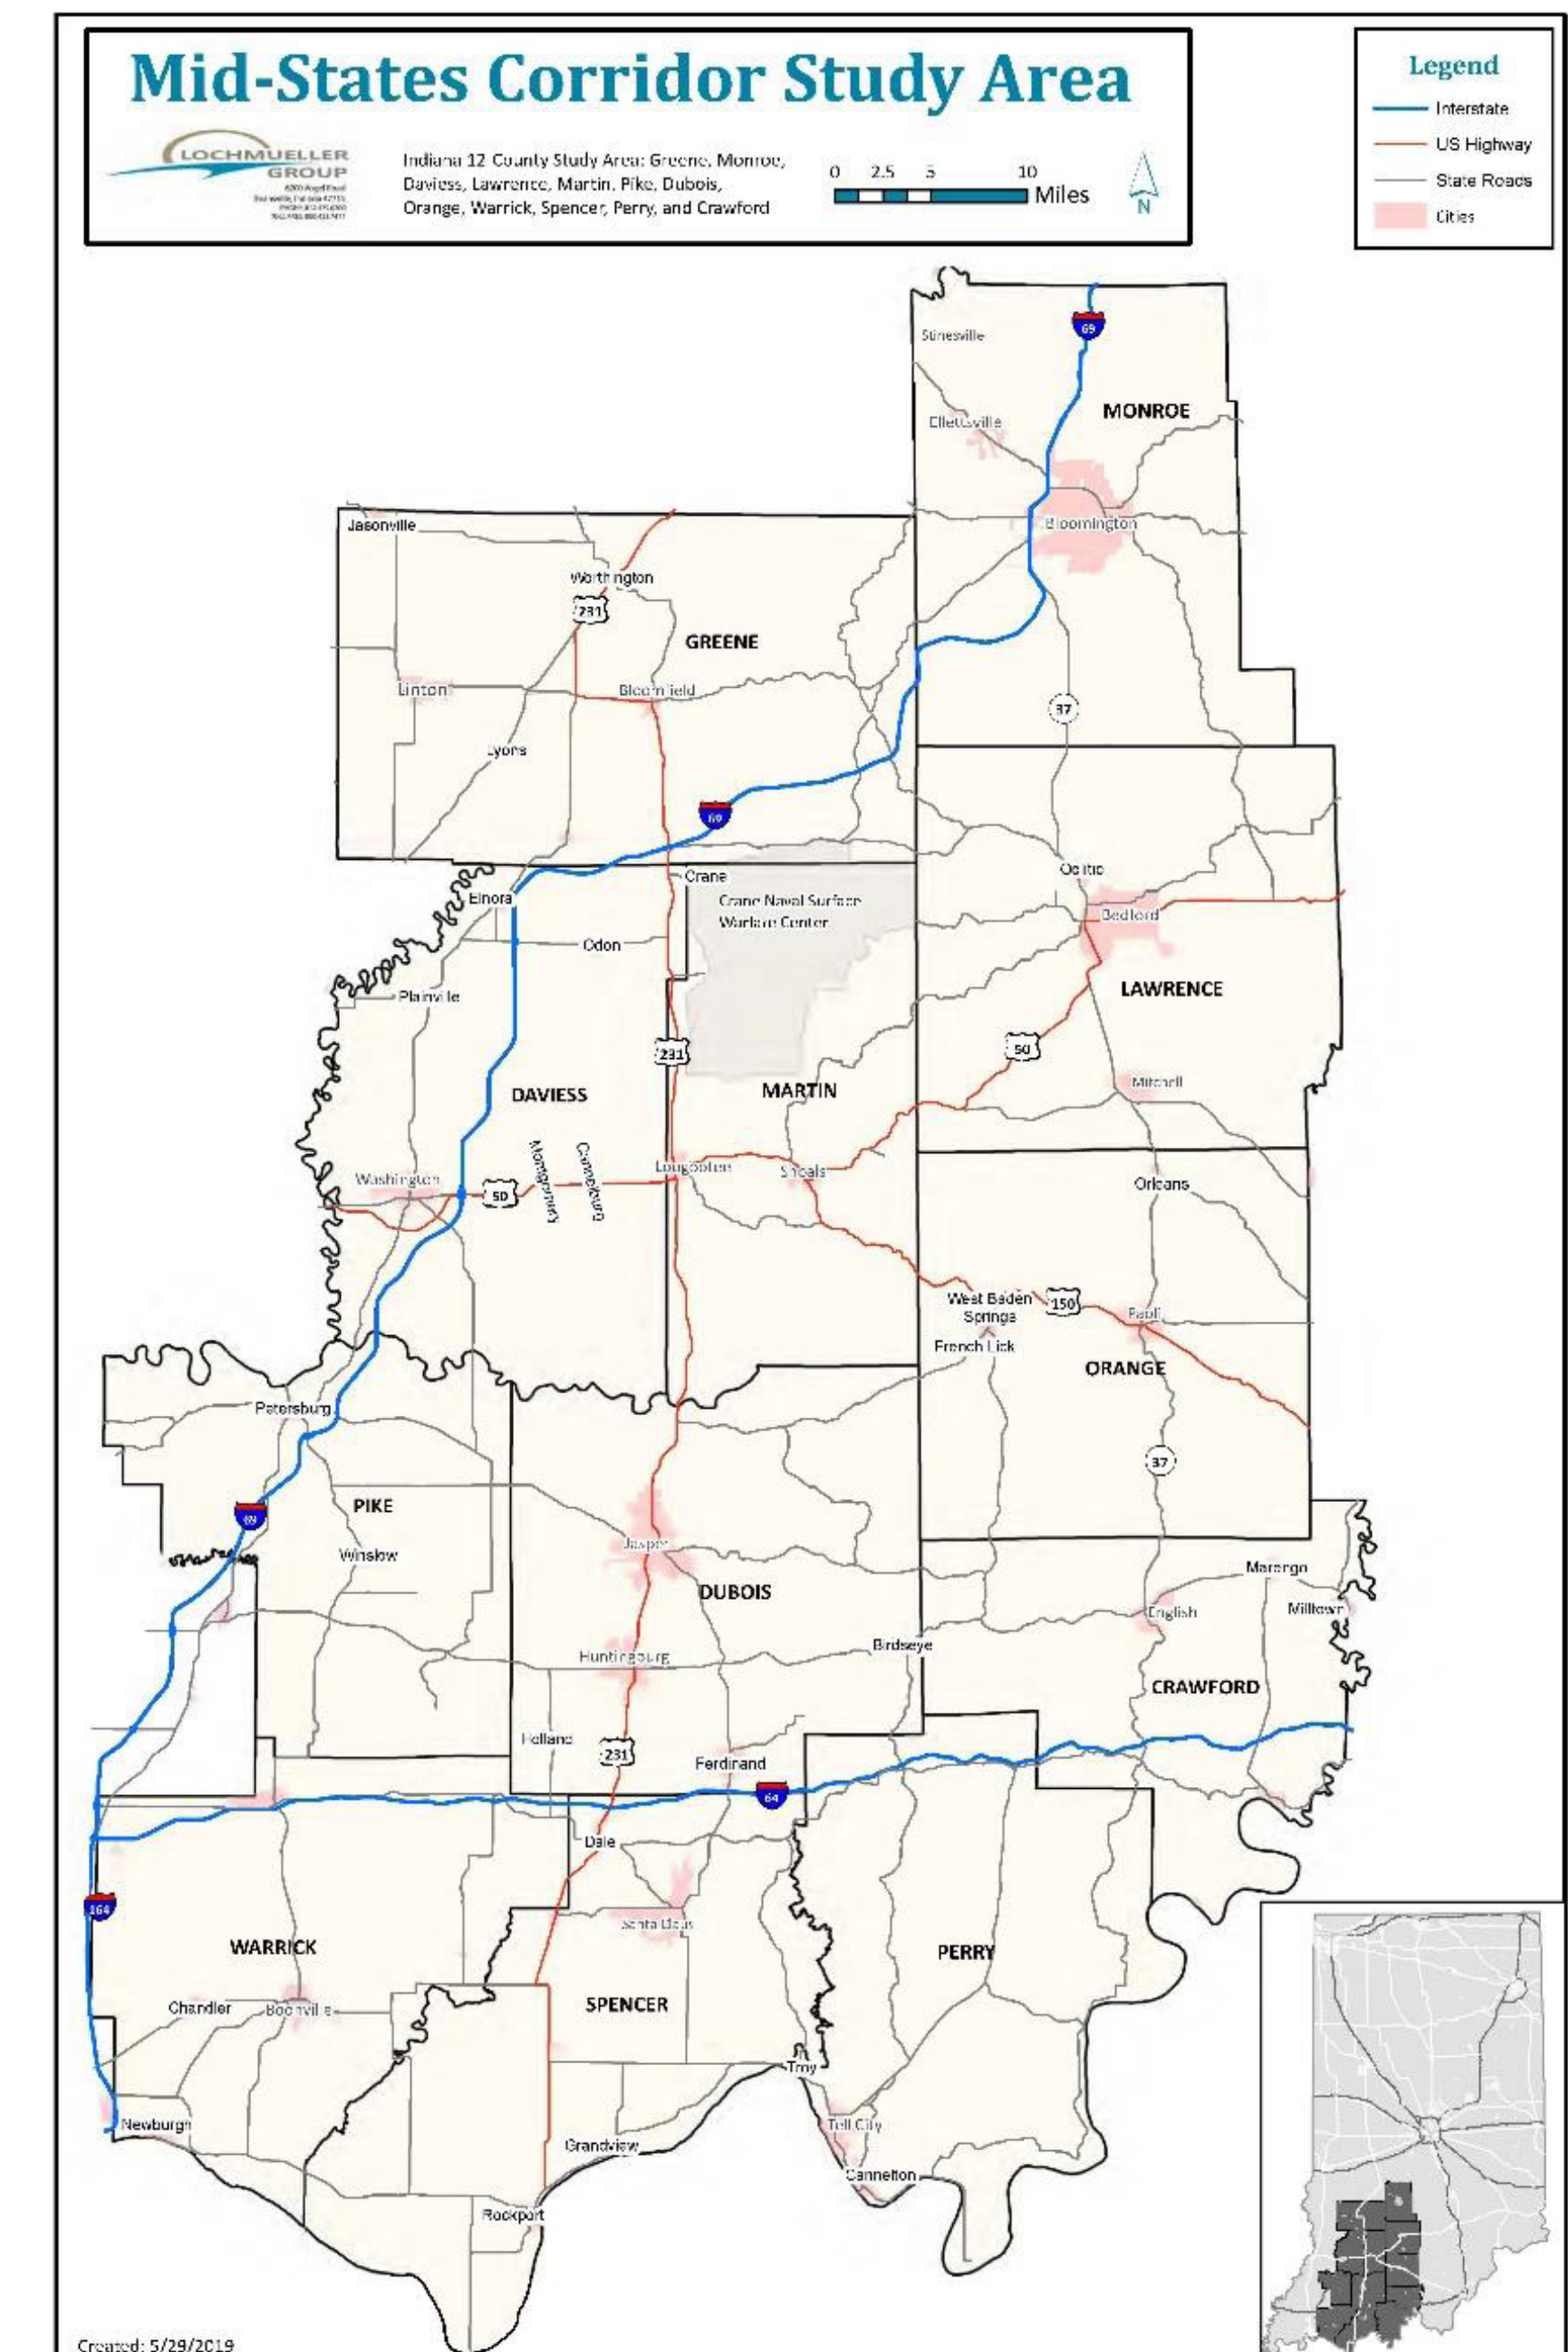

PROJECT OVERVIEW

**MID-STATES
CORRIDOR**

- Tier 1 Environmental Impact Statement
- Evaluate improved highway connection
- Evaluate multiple corridors
 - SR 66 near the Natcher Bridge to I 69
 - *Northwest directly to I 69*
 - *North directly to I 69*
 - *Northeast to I 69 via SR 37*
- Twelve county study area

SHARING FEEDBACK LATER

**MID-STATES
CORRIDOR**

Formal Comment Period: April 15 - May 31
