| 3.5.3.5 Alternative P.....   | 3.5-6  |
| 3.5.3.6 Alternative R.....   | 3.5-6  |
| 3.5.3.7 Refined Preferred Alternative P.....   | 3.5-6  |
| 3.5.3.8 Local Improvements .....   | 3.5-7  |
| 3.5.3.9 Replacement Housing.....   | 3.5-7  |
| 3.5.4 Mitigation .....   | 3.5-8  |
| 3.5.5 Summary.....   | 3.5-8  |
| 3.6 Indirect and Cumulative Impacts.....   | 3.6-2  |
| 3.6.1 Introduction.....  | 3.6-2  |
| 3.6.2 Methodology .....  | 3.6-3  |
| 3.6.3 Analysis.....  | 3.6-4  |
| 3.6.3.1 Identify the significant cumulative effects issues associated with the<br>Mid-States Corridor .....  | 3.6-4  |
| 3.6.3.2 Establish the geographic scope for the analysis .....  | 3.6-4  |
| 3.6.3.3 Establish the time frame for the analysis.....   | 3.6-4  |
| 3.6.3.4 Identify other actions affecting the resources, ecosystems and human<br>communities of concern.....  | 3.6-4  |
| 3.6.3.5 Characterize the resources, ecosystems and human communities<br>identified in scoping and explain how they have historically changed.....  | 3.6-5  |
| 3.6.3.6 Characterize the stresses affecting these resources, ecosystems and<br>human communities and their relation to regulatory thresholds ..... | 3.6-6  |
| 3.6.3.7 Define a baseline condition for the resources, ecosystems and<br>human communities .....   | 3.6-7  |
| 3.6.3.8 Identify the important cause and effect relationships between human<br>activities and resources, impacts and human communities .....       | 3.6-8  |
| 3.6.3.9 Determine the magnitude and significance of cumulative effects by<br>identifying the changes as a result of the Mid-States Corridor .....  | 3.6-9  |
| 3.6.3.10 Modify or add alternatives to avoid, minimize, or mitigate significant<br>cumulative impacts .....  | 3.6-11 |
| 3.6.3.11 Monitor the cumulative effects of the alternatives and provide<br>documentation .....   | 3.6-12 |
| 3.6.4 Summary .....  | 3.6-12 |
| 3.7 Traffic Impacts.....   | 3.7-2  |

## VOLUME II - APPENDICES

|            |   |
|------------|---|
| Appendix A | Transportation Performance Measures Analysis              |
| Appendix B | Economic Performance Measures and Methods                 |
| Appendix C | Preliminary Alternatives Development                      |
| Appendix D | Screening of Alternatives Report                          |
| Appendix E | Cost Estimating   |
| Appendix F | Cumulative Impacts Baseline Trends                        |
| Appendix G | Cumulative Impacts Analysis Technical Report              |
| Appendix H | Forest Impact Analysis                                    |
| Appendix I | Threatened and Endangered Species Impacts                 |
| Appendix J | Floodplain Impact Analysis                                |
| Appendix K | Wetland Impacts   |
| Appendix L | Stream Impact Analysis                                    |
| Appendix M | Groundwater Impact Analysis                               |
| Appendix N | Archaeological Analysis and Archaeology Analysis Addendum |
| Appendix O | Historic Properties Analysis                              |
| Appendix P | Section 106 Documentation and Programmatic Agreement      |
| Appendix Q | Direct and Indirect Impacts Analysis                      |
| Appendix R | Section 303(d) Impact Analysis                            |
| Appendix S | Properties of Environmental Concern                       |
| Appendix T | Travel Forecasting Model Documentation                    |
| Appendix U | Land Use Plan Review                                      |
| Appendix V | Local Improvements Analysis                               |
| Appendix W | Environmental Justice Analysis                            |
| Appendix X | Geographic Information System Technical Documentation     |

|             |   |
|-------------|---|
| Appendix Y  | Karst Impact Analysis                           |
| Appendix Z  | Agency Meetings and Correspondence              |
| Appendix AA | Stakeholder Meetings and Correspondence         |
| Appendix BB | Public Meetings and Correspondence              |
| Appendix CC | Purpose and Need                                |
| Appendix DD | Social Impact Analysis                          |
| Appendix EE | Economic Impacts                                |
| Appendix FF | Agricultural Impacts                            |
| Appendix GG | Managed Lands Impact Analysis                   |
| Appendix HH | Ecosystem Impacts                               |
| Appendix II | Media Outreach                                  |
| Appendix JJ | Noise Impacts                                   |
| Appendix KK | Section 4(f) and Section 6(f) Analysis          |
| Appendix LL | Mineral Resources                               |
| Appendix MM | Wild and Scenic Rivers                          |
| Appendix NN | Post-DEIS Loogootee Outreach                    |
| Appendix OO | Amish Outreach                                  |
| Appendix PP | Tier 1 Biological Assessment (Redacted Version) |
| Appendix QQ | Tier 1 Biological Opinion                       |
| Appendix RR | Greenhouse Gas Analysis                         |
| Appendix SS | Air Quality Conformity Determination            |
